

YUK YUK'S OTTAWA FUNDRAISING PROGRAM

Looking for a new and exciting way to raise funds for your team or organization? Yuk Yuk's & Yuk Yuk's On Tour have been assisting charities and non-profit organizations for over 25 years with gratifying success.

Fundraising has never been easier or more entertaining!

How does it work?

Good question! First we mutually agree upon a date (6 weeks in advance is often best) and you commit to a certain number of tickets (minimum of 50 up to a maximum of 150). We sell you the tickets at half of our regular price and you in turn re-sell them at full price. Your potential profit can reach \$1500 depending upon the night, location and number of tickets you can sell. Fundraisers can be held either at our newest downtown location on Elgin Street or in our smaller, more intimate 85 seat club at The Prescott. If you purchase the entire room (150 tickets downtown or 85 seats at The Prescott) the room will be closed to the public and it will be like your own private event!

Upon this agreement we require a 50% deposit and will provide you with access to a password protected area of our website where you can access photos and bios of the entertainers as well as browse our promotional materials where you can print your own posters and access our logos for your advertising.

Any advertising, marketing or promotional material using the name or logo "Yuk Yuk's" must be approved by Yuk Yuk's prior to its use. We will need a copy of the ticket sent to us for our records prior to the show.

"In-Club Fundraising" has become very popular lately and we're thrilled to help out community organizations while at the same time introducing many new people to our spectacular product.

Call today for dates and show availability.

Need to raise more than \$1500, why not do it 2 nights in a row or 2 weeks in row! Add a silent auction or consider a larger fundraising event off site through Yuk Yuk's On Tour. The possibilities are endless!
